

Curriculum vitae

Dr Franziska Tanneberger

Director Greifswald Mire Centre (GMC)

Career

- | | |
|-------------|---|
| 2023 | Post-doctoral fellow at the University of Greifswald (thesis on <i>Biodiversity and ecosystem services of near-natural and rewetted fens in Central and Eastern Europe – between wilderness and paludiculture</i>) |
| Since 2015 | Director of Greifswald Mire Centre (GMC), a collaboration between the University of Greifswald, the Michael Succow Foundation and the Institute of Sustainable Development of Landscapes of the Earth (DUENE) |
| Since 2012 | Researcher at the University of Greifswald (vegetation, biodiversity and peat-formation processes in rewetted fens in Europe; peatland map of Europe; management of floodplain habitats in the Lower Oder Valley; carbon credits from peatland climate protection; paludiculture) |
| 2013 – 2014 | Researcher at the Helmholtz Centre for Environmental Research – UFZ (ecosystem services of peatlands) |
| 2009 – 2011 | Freelance work for Brandenburg State Office for the Environment (NATURA 2000 management plan Aquatic Warbler), OTOP/BirdLife Poland (scientific advisor EU LIFE project), NABU Brandenburg (testing and development project on management for meadow-breeding birds in the Lower Oder Valley), Succow Foundation (BMU project on peatland restoration for climate and biodiversity benefits in Belarus) |
| 2005 – 2008 | PhD thesis at the University of Greifswald (DBU-funded project on <i>The Pomeranian population of the Aquatic Warbler – habitat selection and management</i>) |
| 2004 – 2005 | Researcher at the University of Greifswald (development of tuition material for international MSc course LENC) |
| 1996 – 2003 | Studied Landscape Ecology and Nature Conservation (majoring in Peatland Ecology and International Nature Conservation) at the Universities of Greifswald and Reading, UK |

Memberships and honorary appointments (selection)

2022/23	Leopoldina working group statement on floodplains and peatlands
2021/2022	UN Global Peatland Assessment, coordinating lead author for Europe
Since 2021	Member of the steering group of the toMOORow initiative
Since 2021	Board of trustees of the foundations Umweltstiftung Michael Otto (Hamburg) and Naturstiftung David (Erfurt)
2020/2021	Chair of the Future Council of Mecklenburg-Western Pomerania (MWP) at the state chancellery of MWP
Since 2018	Board member of the International Mire Conservation Group (IMCG) and the German Ornithologists' Society (DO-G)

Awards

2011	Winner of the UNEP/CMS Thesis Award
2008	One of 20 global "Earth Movers" profiled by the IUCN
2006	Sparkasse Vorpommern award for German-Polish cooperation
1998	First prize in the Federal Environmental Competition (BUW) (Germany)
